

3/1/ Ryan Sorenson comes by to talk about Strategic Plan - Ryan makes comment that this is another checkup that Chad (Strategic Plan not good) in front of Abby, Selise and Janet. Yet as of this day the 53 policies that Carrie drafted have not been reviewed by Chuck and have since been turned over the Adam to review. Carrie provided these policies in June/July 2022 and as of 1/31/23, they have not been reviewed.

3/7/23 at 1200pm - Adam Westbrook came into Chad's office & ~~said~~ provided a copy of the report and said the City will be release Jill Hall's report @ 4pm today. Chad panned through the report and saw the language that said "Pelishek uttered a racial slur on August 22- 2022. Chad saw that and said to Adam will the City be redacting the names. Adam said no, Chuck said the names have been out there previously and there is no reason to redact the names. Chad became very emotional and started crying because Chad said to Adam it is not fair for him to endure public perception again related to the racial slur. Adam proceeded to say that he understands.

my concerns, but there isn't anything that the City can do now that there is a pending lawsuit. Chad proceeded to say that he feels it is time to engage his attorney that it appears ~~he~~ has a claim for discrimination, Chad for reporting racism. Adam agreed ~~he~~ said yes regarding this. Adam then proceeded to ask me if there was one thing I would want to that the City ~~to~~ could help w/ regarding this. Chad said "for the City to issue a press release sharing the context that the racial slur was used". Adam did not have a response to this. Adam proceeded to ask what actually happened at the Black Pre meeting because Adam says that what I told him in person a few weeks ago is different to what Jill reported was discussed in my interview. and that Abby said no demanding for ~~it~~ happened. Chad said he has always stood behind what he has said and it's true what he

he has said everytime but someone is changing the narrative.

Chad then proceeded to say the Court will have to determine what is right because Chad stands behind what he has said through the whole thing.

Adam then said I am sure JNL taped the interview and it can be found. Chad said taping was not allowed. Adam said well Todd taped his and Chad said Todd must have rec'd a different letter because our letter from the CA & Mayor said we couldn't tape it.

It appears from Adam's comments that he is not supporting all of this related to the Todd situation. Adam proceeded to say that "from a friend to friend he can understand how this can be hard and feels for me that no one up to now has supported me."

Adam proceeded to say that I can not talk about this to anyone. I asked if this a gag order and he said "no - just a friendly note."

I said this is the part

That sucks because the City
is not allowing me the opportunity
to tell my side of story.

Adam left at 12:25 pm.

at 3:30 pm after Chad came
back from the visit she
met Adam was walking in
the hall and Chad said "I
am sick to my stomach". Adam
proceeded to follow me
into my office and asked what
he can do to help. I said I
need to take some mental
health days because of the
emotional stress this has
caused. Adam said he would
support whatever. Adam then
asked if the Mayor had
come down to see me. Chad
said he did not. Adam said
interesting because he asked
how I was doing and Adam
said not good. (This is a great
leader who can't even check
up on his teammate)

At 4pm today 3-7-23 we
had a rescheduled meeting
on the Gen Cap 1 development
of affordable housing. In

that meeting including Chuck Adams, Kaitlyn Krueger, Ryan Sorenson and Chad Pelishuk nothing was said related to this report release. Again no support from the mayor.

3/9/23 Chad sent an email to Adam to stop by. Adam came to Chad's office and Chad said he has been thinking about a comment the Mayor made on Wed March 1 2023 in front of Elise Rose, Abby Block, Janet Duestmons and Chad Pelishuk & said that he screwed up with the Strategic Plan is another check against me but then he saw our ~~faces~~ comments & retracted it. Adams eyes got big & then he said there is two things wrong with this situation. 1) Ryan Mayor shouldn't of said it in front of Chad's staff & 2) it is inappropriate. Adam asked if I wanted to talk to him & I said no. So Adam said he would.

3/10/23 Chad send email to Adam for clarification on the reporting to council comment he made last
